The VTF offers routine preventive care, radiology, basic lab work and simple sick-calls. Please call and make an appointment before visiting the clinic. Only If availability and staffing allow, we can support urgent cases or walk-ins. **Currently, we are unable to provide surgical and dental services due to the construction of our surgery room.**

Surgical procedures include neutering, spaying, dentals, and mass removals are performed at the other clinics currently.

UNFORTUNATELY, WE DO NOT PROVIDE EMERGENCY SERVICES.

Attached is a list of off-base veterinarians and other helpful services. This is also available at the Post office vet clinic box.

BAUMHOLDER VETERINARY TREATMENT FACILITY (VTF)

Requirements:

Eligibility: Only persons with a valid U.S. Armed Forces Identification Card are eligible for veterinary services at the VTF. Beneficiaries must be enrolled in Defense Enrollment and Eligibility Reporting System (DEERS). Reservists must be on active duty orders for more than 30 days.

Registration: All pets in the Baumholder Military Community must be registered at the VTF.

Vaccinations: Pets need to have a valid rabies vaccine and functioning ISO-compliant Microchip. If vaccines are given by an off-base clinic, please bring the vaccine records.

Be good to your pet and the community:

Pet Waste: Please clean up after your pet during walks and when playing at the dog park. This will keep all pets and our family members healthy and have clean pleasant surroundings.

Commercial Breeding of dogs or cats is NOT endorsed by the military and is PROHIBITED in government housing. All military VTF are prohibited from providing medical care in support of breeding for profit.

Pet Abandonment is a crime in Germany. If you are unable to find a new home for an unwanted pet, please make arrangements with the local Tierheim (Animal Shelter) or rescue groups. If you find a new home for your pet, pass along your pet's records with a letter stating you are signing ownership over to the new owner, or pick up a Change of Ownership form.

Local Resources: The information provided is a service to the community. Listing of any facilities is not an endorsement or recommendation. This is not an all-inclusive list. For additional boarding facilities, groomers, pet shipping, pet cremation and dog training please check the local German newspapers, the German Yellow Pages website www.gelbe.seiten.de or call the German Phone Information 11880 or 11833.
