

## Emergency and Specialty Clinics

There are many veterinarians (*Ambulatorio Veterinario*, marked with a blue cross) in the local area, some of which speak English. Establishing a relationship with an off base veterinarian is STRONGLY RECOMMENDED. **The Aviano VTF does not specifically endorse any clinic on this list. All payments are due at time of treatment and after services are rendered at all veterinary facilities. The number for the Veterinary Ambulance is +39 371-399-9036 (P.A. Mi Fido di Te Pordenone).**
